Items needed for each day:

1. Bible
2. Pencil
3. Journal

S - SCRIPTURE *{Which verse stood out to you?}*

Open your Bible to your reading for the day. Take time reading and allow God to speak to you. When you are done, look for a verse that particularly spoke to you that day, and write it in your journal.

O - OBSERVATION *{What is God saying to you?}*

What do you feel God is saying to you in this scripture? Ask the Holy Spirit to teach you and reveal Jesus to you.

A - APPLICATION *{How can you apply it today?}*

Personalise what you have read, by asking yourself how it applies to your life right now. Perhaps it is instruction, encouragement, a new promise, or corrections for a particular area of your life. Write how this scripture can apply to you today.

P - PRAYER *{Ask God to help you use what you've learned?}*

This can be as simple as asking God to help you use this scripture, or even a prayer for a greater insight on what He may be revealing to you. Remember, prayer is a two-way conversation, so be sure to listen to what God has to say! Now, write it out.

WELCOME TO GENESIS

Every journey starts with the first step. And the journey through our Bible begins with Genesis, the book about beginnings: the beginning of the world, the beginning of humanity, the beginning of sin, and the beginning of redemption. In fact, the word genesis means ‘origin’ or ‘beginning.’

Genesis also tells us the story of the beginning of God’s special people, as God calls Abraham to leave his home and move to Canaan, the land God will give Abraham’s descendants. Abraham’s family isn’t perfect, but God loves them and promises to bless the entire world through them.

Genesis is more than a collection of stories, though. It answers the most basic human questions: Where did we come from? Why are we here? Why is there evil in the world? Does God care? The answers to these questions shape every facet of our lives, and in Genesis we hear answers that come from God himself.

FINDING JESUS IN GENESIS

Before the events in the book of Genesis even begin, Jesus is there. Jesus, the Word, already existed with God before the creation of the world (John 1:1). God created all things through his Son, Jesus.

You will catch glimpses of Jesus throughout the book: He is Eve’s promised offspring who will crush the serpent’s head (Genesis 3:15); he is Abraham’s descendant who will bless the whole world (12:2); and he is the ultimate king promised as a descendant of Judah (49:10). In the book of Hebrews, Jesus is likened to Melchizedek, the priest-king who appears in Genesis 14.

When Abraham climbs Mount Moriah, prepared to sacrifice his son Isaac on an altar, a ram is found to take Isaac’s place, prefiguring what Jesus would become for us: our substitute.
